

RUBBER HAMMER

Walter India are the leading Wholesale Trader of Rubber Hammer. Our reliable presence in the market and positive approach has helped us in expanding our business and serving our client with products that meet their highest level of satisfaction. These products are broadly treasured in the industry for their rust-resistance, effortless installation, well-built construction, excellent performance, low maintenance, flawless finish and low prices. We design and manufacture a complete range of products to your exact specifications.

We are engaged in manufacturing a wide gamut of Rubber Mallet for our most reliable clients. These products are produced in fully automated plant which have a capacity of 300 TPM and are manufactured using high grade raw material. This pyrolysis process takes 4 to 12 hours and the products manufactured by us are easily available to our client's at the most affordable rates.
