

GI PACKING CLIP

Reliable. Resilient.
Rust-Resistant.

Galvanized Iron (GI) Packing Clips are high-strength fastening components designed for secure sealing and support across various industrial and commercial applications. Engineered from premium-grade GI sheets, these clips provide robust resistance to corrosion, wear, and mechanical stress—making them ideal for packaging, ducting, and cable management needs.

AVAILABLE SIZES: 12, 16 and 20 mm

- ✓ **Corrosion-Resistant Finish** – Zinc-coated for long-lasting durability, even in humid or outdoor conditions.
- ✓ **High Tensile Strength** – Withstands significant pressure without deforming.
- ✓ **Precision Engineered** – Uniform shape and size for consistent fit and performance.
- ✓ **Secure Lock Mechanism** – Designed for tight grip and minimal slippage.
- ✓ **Lightweight & Easy to Install** – No fancy tools needed—fast and foolproof.
